

BOARD TREASURER

Chris Hankins

IBEW Local 309
Business Manager

I grew up in Madison County and graduated from Granite City High School in 1990, later earning an associate degree in Industrial Electricity/Electronics from Ranken College. I completed the IBEW Local 309 apprenticeship in 1998. Over the years, I've coached youth sports, taught apprentices, served in local government, and worked as an electrical inspector. Today, I'm proud to represent 1,200 workers as Business Manager of IBEW 309 and to support children who have experienced abuse.
