

FY20 – FY21 Board of Directors

JEFFEREY G. BROWN

Joined CACI Board - 2019

- Current Board Vice President

I grew up in Grundy County, Illinois in both Morris and Minooka. I graduated from the University of Illinois at Urbana-Champaign in 2008 then took a job at a Fortune 500 company (ArcelorMittal) as a business analyst before getting my law degree at Northern Illinois University College of Law. While at law school, I interned at the Will County State's Attorney's Office in the misdemeanor division, Kane County State's Attorney's Office in its sex crimes division, and at the Zeke Giorgi Legal Clinic in the domestic violence division in Rockford, IL. I was also a research assistant to a law professor researching emotional intelligence, a graduate assistant in Military Student Services, and a graduate assistant in the Office of Support and Advocacy, which was a unit formed to work with the students involved in the NIU shooting. I am currently employed by Will County State's Attorney James W. Glasgow's Office as an assistant state's attorney in the sex crimes unit; I couple those duties with heading the animal cruelty unit; I top that off with my role as a facility dog handler to a beautiful 5 year old English Black Labrador Retriever, Kiwi, who is used in the court process for abused children. I have dedicated my life to protecting the most vulnerable members of society and am excited to bring that passion to the CACI Board!
