Kris Tharp

State of Illinois
Illinois Workers' Compensation Commission

With over 25 years of law enforcement and administrative leadership, I bring a wealth of experience in public safety and governance to the CACI Board. Currently serving as the Agency Security Coordinator for the Illinois Workers' Compensation Commission, my background includes service as an Illinois State Senator and a Captain with the Madison County Sheriff's Office. An FBI National Academy graduate, I am dedicated to advocating for a secure, coordinated response for children in need.
